Dear Mahmood,

This letter confirms that Chicago Title Insurance Company Canada's responses to the DIACC questionnaire concerning Law Society Client IDV have been subject to third-party evaluation.

DIACC's Accredited Auditor, KUMA LLC, has examined the Chicago Title responses to the questionnaire related to its digital identity service [VerifiD](#).

VerifiD is an ID Verification platform to assist Chicago Title in confirming the client as indicated in the application for the real estate transaction. By using multiple tools and resources, VerifiD can validate its client personal information, credit history, facial bio-metrics and identity.

KUMA performed due diligence processes and procedures to assess the Chicago Title evidence and tested the VerifiD system against the responses provided for the Law Society Questionnaire.

The KUMA's assessment was conducted between December 20, 2023, and December 31, 2023, by Beltus Ikechukwu and Ray Kimble (Lead Assessor).

As of December 31, 2023, KUMA found VerifiD to be conformant with all the responses provided for the Law Society Questionnaire.

VerifiD will be added to the DIACC Member Services Directory on the [DIACC website](#) along with its responses to the Law Society Questionnaire. Moreover, VerifiD is undergoing an audit for the [PCTF Verified Person](#), and once the certification process is completed, it will also be listed on the [DIACC Trusted List](#).

If there are any questions, please contact DIACC at [voila@diacc.ca](mailto:voila@diacc.ca)

Best Regards,
