Hello, Wayne and Patrick,

After the various onboarding phases and documentation received, DIACC confirms the following status:

1. FACES2 ID/Viontech Consulting Inc. became a DIACC member and is listed here: <https://diacc.ca/membership/diacc-members/>.
2. FACES2 ID/Viontech Consulting Inc. has begun the DIACC PCTF Certification process.
3. DIACC will add FACES2 ID/Viontech Consulting Inc. to the new Directory. The release of the new Directory will be notified tomorrow. As additional clarification, please note that the Directory of Identity Management and Proofing Products will be deprecated and replaced by a new and improved DIACC Directory. The new Directory is a dynamic tool designed to raise the visibility and awareness of DIACC members' digital trust and identity services offered and available for adoption.

We look forward to working with you on this exciting journey.

All the best,

Ruth Puente
